### ***About Us***

At Triveni Events our mission is to provide elite, professional and personalized marketing solutions to help our clients achieve their promotional objectives.

Whether there is a need for an unconventional event or a wish to break free from the norms, we will assist you in providing world class experiences through matchless expertise. From providing a real life Disney escapade to practising a robust course of action, we believe in bringing our innovation & creativity to you. With a hands - on experience of over 15 years, we have seen our dream come true in the satisfied faces of our clients.

Since 2005, Triveni Events is one of the best known names in the experiential space in India as we have continued to create alluring moments crafted skillfully by our team of professionals with uncompromising standards.

We are headquartered in India with operational offices in Singapore and Dubai and our team of professionals assist in executing work worldwide as per the requirements of our clients.

### ***What do we do?***

Triveni Events has been a part of the event industry and has strived to revolutionise the same because of its belief that quality can never be compromised.
